Patriotic Fire

Winston Groom

Patriotic Fire Winston Groom

December 1814: its economy in tatters, its capital city of Washington, D.C., burnt to the ground, a young America was again at war with the militarily superior English crown. With an enormous enemy armada approaching New Orleans, two unlikely allies teamed up to repel the British in one of the greatest battles ever fought in North America.

The defense of New Orleans fell to the backwoods general Andrew Jackson, who joined the raffish French pirate Jean Laffite to command a ramshackle army made of free blacks, Creole aristocrats, Choctaw Indians, gunboat sailors and militiamen. Together these leaders and their scruffy crew turned back a British force more than twice their number. Offering an enthralling narrative and outsized characters, *Patriotic Fire* is a vibrant recounting of the plots and strategies that made Jackson a national hero and gave the nascent republic a much-needed victory and surge of pride and patriotism.

From the Trade Paperback edition.

From reader reviews:

Richard Riggins:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to find out everything in the world. Each publication has different aim as well as goal; it means that e-book has different type. Some people sense enjoy to spend their a chance to read a book. They are reading whatever they get because their hobby is reading a book. What about the person who don't like reading through a book? Sometime, man or woman feel need book after they found difficult problem or maybe exercise. Well, probably you will require this Patriotic Fire.

Jose Rosales:

What do you concerning book? It is not important to you? Or just adding material if you want something to explain what the ones you have problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Every individual has many questions above. They have to answer that question because just their can do that will. It said that about guide. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this Patriotic Fire to read.

Samuel Brown:

Nowadays reading books become more than want or need but also get a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The data you get based on what kind of e-book you read, if you want have more knowledge just go with knowledge books but if you want truly feel happy read one together with theme for entertaining like comic or novel. The actual Patriotic Fire is kind of publication which is giving the reader capricious experience.

Charles Melendez:

Reading a book for being new life style in this season; every people loves to learn a book. When you read a book you can get a wide range of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what types of book that you have read. In order to get information about your research, you can read education books, but if you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, and soon. The Patriotic Fire provide you with a new experience in examining a book.
