Algernon Blackwood was a prolific writer across short stories, novels and plays. His passion for the supernatural and for ghost stories together with a fascination for all things in the occult and mysticism created some of the most enthralling works ever written. HP Lovecraft referred to his works as that of a master. Henry James in referring to *The Bright Messenger* said "the most extraordinary novel on psychoanalysis, one that dwarfs the subject." Many other authors similarly lauded him. Today his works are beginning to regain their former popularity.
