A Walk in the Woods (Oberon Modern Plays)

Lee Blessing

A Walk in the Woods (Oberon Modern Plays) Lee Blessing

Set in the midst of the Cold War, Lee Blessing's powerful and startling play dramatises a stand-off between U.S. and Soviet arms negotiators as they battle for supremacy. Full of tension and humour *A Walk in the Woods* shows how the relationship between the two experts evolves as they stroll in the woods above Geneva, away from the glare of the negotiating table. But will this escape lead to a true breakthrough or just more posturing?

In this revised version of the play, originally performed at Northern Stage, Vermont, and directed by Nicholas Kent, a woman plays the role of the U.S. negotiator.
