## Chorale at the Crossing Peter Porter

When Peter Porter died in 2010 his reputation as one of the greatest Australian poets had long been settled. *Chorale at the Crossing* gathers together the work Porter completed after the publication of his widely-praised final collection *Better than God*, and shows a remarkable and capacious mind - apparently furnished with half the contents of Western culture - still working at full tilt, despite the imminence of his own passing. *Chorale at the Crossing* contains love poems, comic excursions, and meditations on art, death, music and nature, all written with Porter's phenomenal technical facility and immense good humour. *Chorale at the Crossing* is the last word from one of our wisest and most compassionate poets - and is, quite simply, necessary reading.
