Coeurs pulsar dans les signaux multivers de l'Infini (French Edition) Giuseppe Ciucci

Un recueil de poésies et de récits poétiques contenant des messages de changement provenant de l'Infini. Astres en vers qui, grâce à l'énergie des étoiles pulsar, représentent en séquences immortelles les souvenirs et les émotions de ceux qui vivent et ont vécu sur cette Terre: la matière infinie du cosmos crée l'inspiration. Créatures d'autres dimensions et divines entités invisibles aux yeux des gens communs se révèlent à travers la recherche poétique, en exprimant des voix du passé et des messages d'un avenir lointain qui annulent les distances pour allumer ces lueurs de l'âme capables de chasser les ombres. Les vraies distances sont les états d'âme qui emprisonnent la personnalité, en empêchant le jaillissement de la lumière qui accompagne chaque être vivant. Notre vraie ressource est la force qui palpite à l'intérieur de nous: elle a besoin de voler libre, d'exprimer sa propre beauté et de se réfléchir dans les étoiles de l'univers. En ouvrant la porte à la sensibilité, on pourra transmettre des perceptions magiques, pendant que tous ensemble nous sommes engagés à tracer un chemin meilleur pour l'humanité. Le livre contient de nombreuses illustrations, dont 20 en couleurs.
