Fun and Games *Dave Perkins, Brian Williams*

Find out what it's like to have "the best job in town"

Dave Perkins was once told by a bluntly helpful university admissions officer: "You don't have the looks for TV or the voice for radio. You should go into print." Which he did, first at the *Globe and Mail*, and then for 36 well-travelled years at the *Toronto Star*.

In *Fun and Games*, Perkins recounts hysterical, revealing, and sometimes embarrassing personal stories from almost every sport and many major championships. After 40 years of encountering a myriad of athletes, fans, team managers, and owners, Perkins offers unique observations on the Blue Jays and Raptors, 58 major championships' worth of golf, 10 Olympic Games, football, hockey, boxing, horse racing, and more.

Learn why Tiger Woods asked Perkins if he was nuts, why he detected Forrest Gump in the 1996 Atlanta Olympics, and why Super Bowl week is the worst week of the year. Perkins exposes the mistakes he made in both thought and word — once, when intending to type "the shot ran down the goalie's leg," he used an "i" instead of an "o" — and to this day, he has never found a sacred cow that didn't deserve a barbecue.

From reader reviews:

Ruth Cook:

Throughout other case, little people like to read book Fun and Games. You can choose the best book if you appreciate reading a book. So long as we know about how is important the book Fun and Games. You can add understanding and of course you can around the world by just a book. Absolutely right, due to the fact from book you can understand everything! From your country until finally foreign or abroad you will find yourself known. About simple factor until wonderful thing you are able to know that. In this era, we could open a book as well as searching by internet device. It is called e-book. You may use it when you feel fed up to go to the library. Let's study.

France Brown:

This Fun and Games book is simply not ordinary book, you have it then the world is in your hands. The benefit you will get by reading this book is actually information inside this book incredible fresh, you will get information which is getting deeper you actually read a lot of information you will get. This specific Fun and Games without we know teach the one who reading it become critical in pondering and analyzing. Don't possibly be worry Fun and Games can bring whenever you are and not make your tote space or bookshelves' become full because you can have it in your lovely laptop even cell phone. This Fun and Games having excellent arrangement in word along with layout, so you will not really feel uninterested in reading.

Avery Thomas:

This Fun and Games is great publication for you because the content which can be full of information for you who always deal with world and also have to make decision every minute. This specific book reveal it details accurately using great coordinate word or we can claim no rambling sentences inside. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but hard core information with splendid delivering sentences. Having Fun and Games in your hand like getting the world in your arm, information in it is not ridiculous a single. We can say that no publication that offer you world within ten or fifteen small right but this reserve already do that. So , this really is good reading book. Heya Mr. and Mrs. stressful do you still doubt which?

Martha Lockridge:

Is it anyone who having spare time after that spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This Fun and Games can be the solution, oh how comes? The new book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these publications have than the others?
