## Luke William Arndt

This commentary not only gives a general view of the contents of Luke's Gospel, but also a verse-by-verse interpretation. It represents conservative writing and adheres to the position

- that the Bible is the Word of God and the only infallible guide for our faith and life
- that Luke's Gospel, as part of the Holy Scriptures, has been given through divine inspiration and must be treated as having that kind of origin.

Luke is the most biographical of all four Gospels. This commentary sketches the Life of lives, the early career of our blessed Redeemer.
